

Cooking Schedule for My Dinner Party

What time do you want the starter to be served? _____

How long will the starter take to cook? _____

So what time should you start cooking it? _____

What time do you want the main course to be served? _____

How long will the main course take to cook? _____

So what time should you start cooking it? _____

What time do you want the dessert to be served? _____

How long will the dessert take to cook? _____

So what time should you start cooking it? _____

In order to make this an easier task, plan the starter first, then the main, then the dessert. Then you can put the instructions in time order.

Time	What to do?
